**12 Write down some other things you did not really like about the whole experience if any:**

- I didn't like some students were too up close to me
- That people didn't know English well but other things were good
- I was a little shocked that people didn't know English well
- Everything was great even though the schedule was really busy. School and people were great
- Coming back from airport to hotel in Istanbul. They drop us at the wrong hotel
- Some of the students make us uncomfortable. There was a problem in the organization as well. It was also tired, we walked too much
- Organization before the mobility realization
- Public transportation
- Everything it was great
- We walked a lot and the program was quite full and tiring
- The behavior of some students and the organization
- It's a beautiful experience, I fun with other students and
- I didn't like that we didn't get to go to Bursa
- When Turkish students ...??? us to much attention and that all didn't go to Bursa
- We walked too much
- Walking too much
- I didn't like that we didn't go to Bursa
- I didn't like transport to any where. we didn't go to Bursa
- I liked everything, but our schedule was busy

- lack of organization especially before the mobility was realised, which caused a lot of uncomfortable situations
- We walked too much
- Walking too much
- Walking too much
- We walking too much
- When we were at school I felt so uncomfortable because of the crowd. Also we had to wait some hours at the airport and instead taking a bus we walked . Also the organization wasn't good
- Not organised. Some students made us feel uncomfortable. Too many activities,
- Fish in Istanbul
- Transportation from Istanbul to city center and from airport
- We know the hosts always try to show and give the best, but sometimes it is a little bit expensive
- Transportation from Istanbul airport to city center
- I like everything. People were so friendly, but they don't know how to speak English at all
- Finding transportation from Inegol to Istanbul airport
- Some students were a bit aggressive

### 13 provide feedback – suggestions

- Everything was great, maybe if the schedule could be a little bit less busy
- Organisation could be better, but everything else was a lot of fun and we all made friends
- A little more organised
- Provide information on activities well before the mobility including costs
- Better organization
- Just a little bit better organization
- Organise more
- No, all is perfect
- Great
- More a bit better programme, but it was fine
- I felt very happy. I'd like to do one more this experience
- Better money management
- Better money management
- I think everything was great, but maybe if the schedule was less busy
- The content of the mobility was absolutely satisfactory, but it was underestimated by participants due to lack of organization, so it would be a good idea to work on this part in the future
- I felt very close with all
- I felt amazing with all
- I felt very well with all
- I felt very happy.
- The organization should have been a bit better
- Less activities, the program should be more organised
- Bursa the best
- Less activities, the program should be more organised
- More activities at school, less long trips

- should be precise: timetable of a day plan.
