## A proposito del progetto

The basic ideas of this project are:

- to create a real connection and friendship between the partner students while learning a foreign language,
- to give the opportunity to use ICT tools
- to integrate the project into our curriculum
- to have an idea about other countries' culture, lifestyle, kitchen, historical places in all over the Europe.

## OBIETTIVI

- To encourage pupils to learn to know each other, each other's cities and countries and, hopefully, become friends.
- To develop our pupils' abilities to communicate in a foreign language, share information and connect virtually.
- To enhance our pupils' ICT skills and facilities
- To enhance our pupils' understanding and knowledge of different European countries and cultures

## PROCEDURA DI LAVORO

15 November / 15 December – Introductions

Partner Teachers should prepare a web site using Weebly.

Partner teachers should prepare a poster using Postermywall or Canva

## PENPALS

- Each student writes a short letter of introduction. Teachers send the letters to partner school and give one letter to each student. Students read each other's letters and reply to introduce themselves.

\*Online meeting with partners 30 th November

\*one web 2 tool each month: First web 2 tool is: PADLET

Each partner teacher should prepare a padlet named " Who am I?

15 December 701 February 2015 Let's learn Mediterranean "

Web 2 tool of the month: weebly

15 January/ 01 March / Fairy tales

01 March / 01 April - Easter / My idol

01 April /01 May - Coding

## **RISULTATI ATTESI**

\*Students will be encouraged to learn to know each other, each other's cities and countries and, hopefully, become friends.

\*Students will develop their language skills by taking part actively.

Students will improve their ICT and Coding skills.
